WELCOME TO THE 2013 GLOBAL LAW EXPERTS (GLE) AND GLOBAL ACCOUNTANCY EXPERTS (GAE) PRACTICE AWARDS PUBLICATION.

In order to select our winners, we undertook research in all practice areas, creating a shortlist of firms that are deemed experts within their chosen specialisms.

During an initial recommendation stage, we received responses from business directors, in-house counsel, independent firms, high net-worth individuals, bar associations, visitors to the GLE and GAE websites, and LinkedIn users.

These recommendations were combined with our independent research to create the finished shortlist for each country and practice area.

The shortlisted firms were then judged on client testimonials, case studies, legal ranking and published material, as well as the performance and standing of the teams' individual attorneys.

We have broken down the winners by continent, country and practice area. Many of the firms selected can offer a multitude of services to clients and have provided a firm summary to this effect; meanwhile, some have chosen to profile their expertise concerning their winning category – providing details of their case work and some up-to-date industry commentary.

Congratulations to each of the recipients of GLE and GAE's 2013 Practice Awards.
